Lifting man basket for people

CPP-GC

Man basket for 1-2-3-4 people and their tools.

We offer a wide range of man baskets with different capacities and purposes. Our man baskets are equipped with tool tray, four lifting chains, entrance door on side and handrail. The castor rollers prevent damage to the buildings. The removable roof allows the basket to be used in a wide variety of projects! Available on request a rescue stretcher for the '4 persons man basket'.

The Man Basket for 1 Person is available on demand also with wheels.
